“ I love you Lil sis, my best friend in the world, my confidant.. My world is turned upside down, I can't listen to music without thinking of you or times we shared back in the day.. I will always have you in my heart & I will always be apart of your kids lives as you would want me to be.. I loved spending Thanksgiving with you & all the kids, I'll forever hold those memories of that day dear to my heart.. My only regret is not taking pics.. :(you are missed by so many, you were w beautiful person inside & out.. You deserved the world but god had other plans for you at the young age of 26.. I still cant believe I won't ever hear your voice again or see your name popping up on my phone 5x a day anymore.. I miss the little things.. The 30 second convos between changing diapers or the visits we had with the kids.. Most of all I miss you in general, your smile, your laugh, your crinkled up nose when your upset or lying.. Lol I love you sis. Forever in my heart & memories.. R.I.P beautiful fly high with the angels but not so high you can't see us.. :)
