“ Suzanne,  
We are so very sorry to hear of the passing of your sister-we know how ill she had become and that God has lifted her up from all that pain into a much better, brighter place. We wanted to attend the services but due to other committments cannot make them; please know that you remain in our prayers.

“ To the family and Friends of Ms Kay Lorah, I am sending my condolenses. I know she will be missed by many. Because we as humans were created to live forever the sting of the death of loved ones hurt so bad. One day death will be swallowed up forever and dear Kay will arise and ask "Death where is your victory? Death, where is your sting?" 1 Corinthians 15:55 This will be a time of rejoicing when Jehovah God Almighty will "wipe every tear from their eyes and death will be no more." Rev. 21:4  
Please know that others care for you and may these words comfort your heart.

Sorrowfully Submitted,###imported-begin##M. P. Green###imported-end##
