“ Keith was a wonderful family man, friend, church member and community member. Even though I didn't have much opportunity to see him off the rink, it is pretty obvious how much he participated in life and lived it to the fullest. You may be gone, Keith, but all of us will remember you and miss you.

“ Toni and family,

I know there is not much that I can say that would ease the pain and sorrow you are feeling at this very sad time, but please know that you are being lifted up ever so tenderly in prayer. May God heal your broken hearts and give you peace.

Look into the night sky and find the single brightest star shining down on you. Then take a deep breath. You are being watched over..... still and always.

John 16.22 Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy.

Sincerely, Bridget Cunningham##imported-begin##Bridget Cunningham##imported-end##
