I know that you are there, watching me and everybody else who has been on this rough journey. Just know, even though I might not remember seeing you or being with you, I can not describe how much I miss you.*

I remember the first time that Celena introduced us, the times spent with us and the boys, the help around the house and all the times that you would make me laugh and crack up! Heaven has gained another angel today, may you rest in peace and find the comfort that you have longed for!*

“ *Wow this is very sad news. I remember being a youngster when we used to run around Chelsea Woods. Its been such a long time since I've seen or spoken to you. I remember playing with Star wars, having our moms paint our faces like KISS. You were Paul Stanley and I was Gene Simmons! I wish I knew you were back in MD because I would have reached out to you. I'm sorry I didn't. Rest in Peace old friend. May the Lord's Peace be with you and your family!*

“ I remember the day you were born. I was in the 4th grade and had just come home from cheerleading practice when Aunt Ev told me you were born. I watched you grow, loved you dearly and prayed for you in your adult years. So many memories have gone through my mind in the past few days that I learned of your untimely death. RIP as I know you will not suffer anymore. You are with your best friends, Grandma and Grandpa Shindle. Love you sweetie, Judy.
