“ Be in peace little buddy. Keith was a pleasure to know and care for.
He always went with the flow and made my job easy. I loved his
videos and how excited he was to talk about the Ravens. My
deepest sympathy to The entire Dreisbach family.

“ Jenn Keith and Kate, just wanted to let you know that I'm thinking of you and your family during this heartbreaking time in your lives. I can't imagine what you must be feeling and also feelings of being blessed with such a wonderful young man. I was telling someone that I don't ever remember seeing a picture or hearing a story about little Keith and he was always smiling always. That has to be a awesome feeling as a parent knowing that your child with such an awful disease was such a happy and positive child. You and Keith are great parents and made sure that little Keith had the best life that he could possibly have and that made a happy family and you can't ask for more than that. RIP Keith!!
