“ April and brothers: So sorry for your loss. Wheeler and I had just seen you, Keith and Hermie in Easton. Seemed like a minute later we heard of his passing. I have been with Butterball many times when Keith would call to check in and Butter would always relate some story about Keith. We would laugh and you could always just visualize the stories Keith would be involved in. Always a smile, always thoughtful. Just reading the entries in this guestbook let's you know how many people loved your brother. He will be missed by many. Our condolences to the family and his son Dustin. “ Keith a.k.a.Herbie.....you were one of a kind, full of laughter and a good attitude. Kent Island as it used to be in the good ole' days was soooo much fun and alot of that was because of Keith and "the guys". I have so many fond memories of breezin the freeze, Goodins' creek, Silver Dollar, and just living the simple life on the Island. Hanging out with my big bro' Teddy and his best friend Keith most of the time meant "fun trouble"...but worth it. My sympathy to the Horney family, Keith's struggles are over and he is at peace.##imported-begin##Terri (Thomas) Schelhouse##imported-end##

“ Geez, why did you have to go and do this Herb... My heart goes out to Scott,Joey,Buddy,April,Dustin and the rest of the family. I am so sorry for your loss, words can never really help, but the stories people have to tell will most definatley make you laugh!! I have quite a few myself... I can remember going to the boat races and Keith was drunk and of course we had a fight (haha) and I wouldn't talk to him so he hopped boats until he got about 3 boats away from me and started singing across the boats in front of everyone... Chelsea (that's what he called me, I'm not sure why haha) anyway he started singing, honey won't you open that door, this is your sweet daddy don't you love me no more, it's cold outside let me sleep on the floor! I was sooo embarassed.. He sure knew how to do that to me, haha!! I will miss him so much, things just wont be the same. Until we meet again Herb!!##imported-begin##Chelsea/Skeeter##imported-end##

“ Well, where to begin...so many memories. I believe everyone knew Keith and couldn't help but love him. And i do honesty believe that he did not have one enemy. I grew up knowing him and until he was called home he watched over my kids. The ball park will never be the same without you. I remember when Uncle Keith and Uncle Squeeze had Amber and James in my van and they took a road trip (without leaving the parking space.) It all still doesn't seem real. You will truely be missed and Kent Island will never be the same without you. Love and miss you forever...David, Annie, Ryan, Amber and James Gardner##imported-begin##Annie##imported-end##

“ May you rest in peace keith... God Bless Your soul! You will be sadly missed! But, never forgotten! There will never be another Keith Horney, he was one of a kind! I will never forget when we were in ninth grade and I was out sick with the flu and because we both had the same last name, the teacher thought we were related... The teacher asked keith if I was ok and he told the teacher I was his wife and I had to stay home and take care of all our kids... When I returned to school the whole class was looking at me funny. He was such a nut! No one else could ever get away with what he did!!! Your Journey has ended, You are Home now!!!
