“ Hi Julie:

Up here in Wading River your dad kept me apprised of the stages in your journey with Ken to his death.

I give thanks with you for his life, though painfully short and the strength you found to steer the family through the last three years.

You are in my thoughts and my heart.

I wish you continued strength in your grief journey and will look forward to seeing you when next you come to Shoreham.

“ Ken,

*You were one of the best- the real deal. I have great memories of
you from college and after when we both lived in Maryland. Take
care my friend.##imported-begin##Andy Benincasa##imported-
