“ *My deepest condolences to the children of Kenneth Beatty. I sent my children to "Space Camp" every year and they enjoyed it and learned so much. One year Mr. Beatty even taught me how to play chess. He was a delightful person whom I was honored to know.*

Mr. Ken taught an astronomy class at the Chester River Adventist School in Chestertown. My daughter and son loved the world he opened up to them. They were not so thrilled about the exam at the end but he taught them as he would High School or college students. He was an astronaut at heart and artist at hand. God Bless his family.
