“ Ken was a very special person I had the pleasure of meeting at work. I will always remember him clapping, talking football (he loved the Jets, I love the Steelers), and seeing him at work. I still laugh when he called his house just so I could hear him on the machine because he said he sounded good lol. He was cherished by many and will be missed. I want to send my deepest sympathy to the family and let them know they are in my thoughts and prayers.

I remember that voice message too, Shayni. I always remember Ken doing what he called his walk about around the store and him talking about his pups.

VICKIE WROTEN - December 21, 2012 at 10:57 PM

Oh and I remember him doing his little dances in the aisles.
