“ I will always know you as "Cap." Your friendly rock hall wave brought me to you and of course you were my Rock Hall dictionary, where, who, how and why. Your love of animals was just endearing. Your laugh was contagious and I always knew you would be there for me if I ever needed help. I now go by your home and must keep myself from wanting so badly to wave at you while you are on your porch. The empty bench seat reminds me to never take people we care about for granted, I miss you. Our condolences to his family and all who loved him. Sue & Marty

“ Colison was the real Deal. In all the years i knew him, He never told a lie, or intensionally hurt anyone. He would give you the shirt off his back, and some took Advantage of that. Im glad i got to talk to him right before he left us, his voice is still fresh, and my times with him will remain in my memory till we meet again. He surely is in Heaven with Weezy and our other family and Friends.

“ My heart is heavy reading of Colison's Passing. Colison was a great guy that leaves all that knew him with a hint of a smile, knowing how he spoke his candid words and could make anyone laugh. Colison never held back when he wanted to say something. A true Champ, a person that I will hold in my heart and cherish the fun memories that we had of the old days. Looking forward to seeing you in the heavens one day, my Friend. Prayers to Kelly and Family.
