“ Kevin was like a brother to me. We worked together for awhile at First Fulfillment and then at A to Z Mailing. He was a honest and loyal person who always would help you without question. Kevin treated my kids like family, always inviting us to his Christmas parties and having a present for them. I will always remember how Kevin loved Christmas and his trains. I am truly sorry that Kevin and I lost touch. My parents in NC also send their prayers to you as they cared very much for Kevin.##imported-begin##Diana Harrington##imported-end##
