“ Bill & I send our deepest sympathies to your family. Kim was a wonderful person and we truly enjoyed our time with her. We had a lot of good memories at the diner and she made the days go by with much laughter. Kristen, she talked about you so much, she was so proud of you & those babies meant everything to her! Linda & Harlan, the apple of your eye certainly did not fall far from the tree, I loved when you came into the diner. I know exactly why Kim was one of the sweetest, kindest, loving and wittiest people I have had the pleasure of calling a friend! I pray the good lord wraps his arms around you in this time of need and comforts you all until you meet again. Fly high girlie, With a heavy heart & much love,

“ I am so very sorry to hear of this very sad news. Kim and I were classmates of QACHS. Kim was a wonderful person! My heart has been breaking for her family every since I got the news that Kim had passed. I was so blind-sided and had no idea. I haven't seen Kim in a few years but I knew how much she loved her family by the pictures and posts she shared on Facebook. Keep your memories of Kim close to heart and I pray they help comfort you during this very difficult time. If there is anything I can do for her family, please let me know. I will continue to pray for the family. God Bless, much love

“ You bought me my first bottle of alcohol consumed in my life. You diverted your ex husband from walking into the bedroom when I would sleep on the floor next to Kristen’s bed just because her and I wanted to talk until we both passed out but I wasn’t supposed to be in there. You kept some of us off of the streets by allowing visitors to come to your house and have fun because you knew and truly understood our age and that we were going to do it anyway but rather us be safe and do it in a contained and secure environment. I’m pretty sure you signed me out of school once or twice so that I could come home with you guys on Dulin Clark road when we would pack the SUV full and head to Centerville. No matter what was going on, you were always understanding always caring and always had your daughters back which is something we always had in common. I’ll never forget screaming the name Kim 1 million times at the house behind Holly’s because I couldn’t find my way to the house from the beach (which was only 500 ft away) and you came and guided me to bed. I could and will never ever forget you. You’ve raised a brave, strong, and caring daughter that exhibits a lot of the traits you exhibited and her qualities shows the person that you are, which speaks volumes. She is still going to carry those characteristics through the rest of her life and instill them in her kids. I love you “Ms Kim”. You are no longer suffering. May you Rest In Peace.

“ At age four we started school together and our friendship bloomed. We were two peas in a pod and whatever trouble one could not think of the other did! That wasn't our only first we shared, first boyfriends, first dates, first smokes , first drinks, first car rides and first prom. We did everything together . We played little league softball and went camping. So many memories and so much fun! I really wish we could go back and relive our childhood and give you those moments again my friend. Rest in peace , you gave it a tough fight! Blessings and prayers to Miss Linda, Mr Harlan , Kristen ,Dean and their families.
