“ *I want to first of all thank Patrick. He has been a great husband to my sister Kim . He as well as their daughter Paige have been by Kim's side during her illness. Words truly do not express my gratitude for the out pouring of love and support for my beautiful sister. Our family and friends have helped an unbearable situation be easier because of their gracious & kind comments. Kim will be missed by many because of her loving spirit, great personality and her friendship to so many throughout her 49 years . She is now in Gods hands and is at peace. I will end by saying I have been blessed to have Kim as my sister. She will always be remembered for all of the good and love that she shared with so many . Until we meet again Kim I love and adore you.*

*Your Sister,  
Colleen*
