“ I wanted to thank each and every one of you that signed this or even showed their love and support for my family in a different way. In times like these, it's never easy and the love radiating from the community of friends and family my mom had muffles the pain we're feeling, even if only for an instant. She was loved, and she knew that...we are all going to miss her in our own ways. My mom was my best friend...I don't think i'll ever stop missing her and thinking about her and wishing that she could come back....but atleast im not alone. So, again...thanks everyone...
With love and gratitude,

“ To the Schelhouse family,

I was extremely sad to hear about your loss of Kim. Looking at the pictures last night certainly brings back memories of good times and how happy she was. She was a very loving woman and will be missed dearly. Loss of loved ones is painful, but time makes the pain soften. She will surely be missed! May time and the love of friends and family help heal your heart!
