“ *In remembering Kyle this past week many stories have been told about the times we all shared with him. There has been one common theme in all of these stories, and that is a smile and sometimes even laughter amidst this great loss. Kyle had a way of making everyone smile and laugh in life and even in his passing he still continues to do so. He will be missed greatly, but I still am thankful for the opportunity to have been his friend so I can remember all of these great times. Kyle you were my friend and I will never forget you, May your body rest in peace and your memories live on forever in the hearts of those that got the opportunity to truly know you.*

“ Kyle, I don't know where to begin... Despite your troubles and struggles, your heart was always big enough to ask how I was doing. You never dwelled on your transgressions, as I could always depend on you to make me laugh. Your love for your family was such that it should be replicated to everyone. I will never forget your smile and the brotherly bickering you and I shared whenever we were together.

“When the time comes for you to die, you need not be afraid, because death cannot separate you from God's love.” ~ Charles H. Spurgeon

“ Oh Kyle! Where does one even begin with this guy? Even though I hadn't seem him in quite some time he will certainly be missed and not forgotten. He always had the biggest smile and loudest jovial laugh!

As a groomsman in my wedding many years ago - The pictures of him as one of the village people stands out the most! He was also one of the reasons we paid the DJ to stay 2 extra hours...we just couldn't let the fun end that night! We were all so young and thought we were invincible then!

I pray your family finds peace in the difficult time.

“ *We have so many wonderful memories of Kyle that there is no way we could share them all but two that stand out the most for us are being the best man at our wedding and bringing me my special rose on valentines day.*

He touched our lives in ways that no one ever will. We are deeply saddened to lose him but know in our hearts he is in a much better place and that he will always hold a huge hunk of our hearts with him.

Mrs Janet, mr bobby, Megan, and lyric- You're in our thoughts and prayers, Please know how much you are loved and how deeply your loss is felt by all. We love you all and are here for you for anything at all that is needed.

It will be the little things that you will remember, the quiet moments, the smiles, the laughter And although it may seem hard right now it will be the memories of these little things that help to push away the pain and bring the smiles back again.

We Love you Kyle and are missing you terribly. Love always and forever, Jenn, Jason, Caley, Skylar, & Nicholas
