“ *Dad Thank you for all the love and support a son could ever want. For the many examples shown of how a good man should conduct himself towards his family, his friends, his neighbors as he makes his way through the world. With all my love. Rest in Peace Your son Brad*

Love and blessings of peace to you as you grieve your dad and your mom too. They've left a great legacy in you kids and grandkids and all of us blessed to know them even a little. I enjoyed every visit with them from growing up to just this spring. Lots of love from the Wisconsin Waite cousins❤️❤️
