“ *My condolences to your family. I met you one time Marty many years ago. I knew Larry my entire life. We were very good friends in school tried to keep in touch after school, but life just did not let us. I would see each other once in awhile somewhere in life and talk but could never keep in touch for some reason. Again, I am at a lost of words to express my feelings to you. Hope life will keep on going on for you with the memories that the two of have had in the past. Larry Fike sr*
