“ I don't remember you ever not being a big part of my life, since I was 5. We shared a special bond, always looking out for one another from the time we were kids. I would tell you secrets, you would tell me yours. Always so much fun growing up. You will always remain in my heart. I am so sorry you have gone to another place, but I know a happy place, with our family in heaven. I am grateful you are no longer in pain, but I will miss your smile, the twinkle in your eyes and that quiet strength. Soar in the heavens. You will be missed by all. I will always love you and miss you. You made an impression on everyone you met. Such a wonderful, charismatic presence. You lived your life to the fullest and did it your way. Rest that beautiful soul in peace. Zoa Ann
