He was born March 16, 1971 in Boston, MA to Dr. Larry Lee Lynn and Barbara Barnhart Lynn Plaster. The family moved to Texas before settling in Virginia in 1974. Larry spent most of his childhood in Sterling, Virginia. While growing up, he loved participating in the summer swim team both as a swimmer and a coach. While at ECU, Larry met Lori Justis and they were married in 1996. Their first daughter, Delaney Elizabeth Lynn, was born in 2004, and in 2006, their second daughter, Darcy Emma Lynn, arrived. Watching his girls grow up was the joy of his life; he loved them deeply.

Larry worked in many positions in the field of psychology, helping improve the lives of many. Over the years, he served at mental health clinics, private practices, the MD Department of Corrections, and as an adjunct professor at the University of Baltimore. In recent years, he worked at the Department of Defense and also his private practice, Kent Island Psychology in Stevensville and Columbia.

Lori, Delaney, and Darcy, We are so sorry for your loss. Larry was a great man and neighbor. He was always available for a conversation on any topic, but his views about raising children were especially valuable to me. We are thinking of you and are here for you. Ward, Julie, and Willow Slacum.

“ We extend our heartfelt sympathy over the passing of Larry Lynn. Larry was a dedicated and loving father to the love of his life, Lori. Likewise, he was an outstanding father who deeply loved his daughters, Delaney and Darcy.

Larry was also a patriot who served his nation with honor while working for the Department of Defense. In his professional role, he made a profound impact, helping countless men and women save lives, marriages, and relationships while assisting affiliates in coping with the psychological stress and horrors seen in war and through deployments.

You could find no bigger Orioles, Ravens, or Penn State fan than Larry. A memorable moment was recently running into Larry at Camden Yards, where he beamed with pride as his niece sang the National Anthem before an Orioles game.

Most importantly, Larry was a great fan of relationships, and no relationship mattered more to him than his personal relationship with his Lord and Savior, Jesus Christ. His faith was a guiding light in his life, and he will be deeply missed by all who knew and loved him.
