“ My beautiful grandniece. I remember when she was born. So little but always full of fun and life. I remember when she was just a little girl and we went to her brothers birthday party but on the way we found a little gray kitty on the side of the road. It was raining and of course we had to rescue the poor thing and stop at the store for a can of kitten food. Well, we finally arrived at the party, a little late, but when we told our story nobody was upset. Of course immediately Lauren wanted to see the kitten so off Marty went to our car to bring him in. This memory will forever live in my heart. Our heartfelt condolences and prayers are with you at this sad time. Love, Aunt Raine and Uncle Marty

“ I remember the first time I met Lauren. We were visiting from North Dakota. We were staying with my mother and Warren. Jackie and Jennie stopped by with Lauren and Mikey. Lauren was sitting in a chair in the living room. She was so quiet and so cute, with long blond hair and big beautiful eyes.
