“ *I have so many happy memories of Pete. One of the best was when he agreed to go on a family cruise with his sibling and spouses. We had such a wonderful time together. Pete was the star of one of the shows on board where the pretty young vocalist sat on his lap and sang "Hey Big Spender". The highlight of the trip for Pete was getting back home to his family.*

“*Mary Lou and I share in your grieving. I took Holy Communion to Pete every Sunday until the Church said Eucharistic Ministers could no longer do it because of Covid risks. I tried to keep in touch with Mary Lee and was hoping to resume taking him Communion this week. Pete and I joked and teased each other a lot during my visits, and I MISS him! Norman Vitrano*
