HUGS.....

*Thank you for deciding to marry Larry and for bringing him in to our
lives.....*

We feel honored to have known him and call him a friend....

more.....*

He was a good man and will be missed by many.

“ When Larry was in the Midwest many years ago he was my NECA Field Representative for about 3 years. I remember he spent about 8 hours with my negotiating committee one day trying to help us work out an agreement with the IBEW Local. Thanks to his help, hard work and patience, we got an agreement. I still talked to him several times a year and always looked forward to seeing him at NECA meetings. I am shocked and saddened at this passing. Please accept my thoughts and prayers.

“ On behalf of the Officers and Board of Directors of the Electric League of Maryland, I wanted to offer my heartfelt condolences to Larry's family during this terrible time. Larry was our past Treasurer and had been for many years. He was also very active on our Board of Directors. His dedication to our organization, as well as the many other professional organizations he was involved with, was tremendous. Larry was always the voice of reason for us, and as such was well respected by everyone involved in the electric industry. He was level headed and never lost his temper. This fact, along with many others, made him the consummate professional we all knew and enjoyed working with. He will be missed.##imported-begin##Scott R. “ With heartfelt sadness I extend my condolences to Denise Tolbert and family.

I had the pleasure of knowing Larry for many years and worked with him through the course of our professional affiliations. As it so happens, we spent most of the morning together the day he passed away.

There was no finer gentleman in the industry; he was well-respected, had a pleasant easy going demeanor, and was liked by everyone. So it's no coincidence that many of us with whom he had a professional relationship considered him a friend.

My thoughts and prayers are with you - and everyone else who Larry touched.##imported-begin##Steven S. Lakin - Executive Vice President - Mechanical Contractors Association of Maryland##imported-end##

“ Dearest Denise, Ellen and Family,
No words can ever say the great loss we all feel. Larry was such a wonderful person and he had the biggest and warmest heart of any man I knew. He was the rock that helped you all stay together after Glen and Jennifer moved to VA. He was a soft spoken man and sometimes had very little to say. But mark my words he was always thinking of all of you and how to help in any situation. A better husband, son, brother and friend you will never find.
God be with all of you

“ My heartfelt condolences are extended to the Tolbert Family. Having been a member of the Maryland Chapter of NECA, I can declare that Larry was a dedicated leader who always made himself available and provided the same level of effort to one's company whether it was small such as mine or large like most. Although I am no longer a member of NECA, I will still miss those infrequent occasions when our paths would cross and his congenial smile and enthusiastic greeting would follow. May God Bless your Family in its hour of need.##imported-begin##Warren McCleary##imported-end##
