

Lee Ann Rash

August 16, 1944 - April 3, 2026

Lee Ann McCreery Rash, 81, of Wheeling, West Virginia, passed away peacefully on April 3, 2026, surrounded by love.

Born on August 16, 1944, in Wheeling, WV, Lee was the daughter of Leroy and Lucille McCreery. She was also lovingly connected to her biological mother, Nancy, who passed away when Lee was young. All of her parents preceded her in death.

Lee dedicated 30 years of her life to caring for others as a Licensed Practical Nurse, a profession that reflected her compassionate and giving nature. Outside of her work, she found great joy in traveling and expressing her creativity through crafting. Whether it was cross-stitch, scrapbooking, or any project she could pour her heart into, Lee had a special way of creating beauty in everything she touched.

A devoted follower of Jesus, Lee's faith was a guiding light throughout her life. Above all, she cherished her family deeply. She was a loving mother, grandmother, and great-grandmother whose warmth, strength, and kindness will be remembered always.

Lee is survived by her son, JP and his partner, Crystal; her beloved grandchildren, Rachel, Matthew (Amber), Wyatt (Hayley), Austin (Amber), and

Currey (Amanda); and her eight great-grandchildren. She is also survived by her sisters, Nancy Blackwell and Michelle Moore; her brothers, John McCrerey and Michael McCrerey; and many nieces and nephews who held a special place in her heart. As well as her son-in law Calvin Knott.

She was preceded in death by her devoted husband of 56 years, Jimmy Rash, and her beloved daughter, Audrie Knott.

Lee Ann will be deeply missed by all who knew and loved her. Her legacy of love, faith, and creativity will live on in the hearts of her family and friends.

“ As only a Little brother can do, in telling the story of the night you brought that man home. I was only about 5 years old, when you and Jimmy got Married. I was the youngest so I pretty much got away with anything. I was use to crawling into bed with you or Nancy when I wanted to. This night your wedding night. you were in bed with Jimmy and I just wasn't hearing it. So 60 years later I am telling our story. I Love You Big Sister!
