“ Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." John 5:28,29

“ *Pop i wish you havent left us it wasnt your time to go. My biggest fear was the day you would depart from us and it came true. You were very close to me and you would do anything for me and i really appreciate every thing you have done for me i only wish you were able to retire to spend the rest of your life doing the things you loved. As for now rest in piece and have a cold one waiting for me when we meet again i love you so much*
