I'm sorry for your loss. I worked with Leigh over twenty five years ago at Talbot County Health Department. Leigh was kind, thoughtful, and the epitome of a person working in the field of disease surveillance of requiring utmost sensitivity. She was a constant educator for those in need. I remember her preparing for the life changing event of parenthood. Her face would light up when she spoke about Camryn, the most important person in her life. Leigh will be missed.

“ Leigh and I worked together for 15 years at the Dorchester County Health Department and we shared many interesting and fun times. I recall when Leigh was married and Camryn was born and what a joy Camryn brought into her life. Leigh will be truly missed and my thoughts and prayers are with Camryn and her family.
