“ Nora,

*It's Jeani Wood, I am so very sad to learn of Lenny's passing, way
too soon. It seems like it was not that long ago that he was telling
me about this great girl that he had met. How fast the years go by. I
am so glad that you have so many wonderful memories, and I know
that Dodo is waiting anxiously to see him, he always was her
favorite nephew. My thoughts and prayers are with you, Stephanie
and A.J.*

“ *Nora and family - It is with such sadness that I heard about Lenny's passing. I have so many wonderful memories of when we were all younger and hanging around Severna Park laughing, partying, and having good times just being with friends. I have always loved him dearly as a friend and will cherish those memories. I'm glad to read about his family and grandchildren who had him as long as they did. Lenny - I hope to see you again when we meet on the other side. With love and heartfelt sympathy. Dottie King and family##imported-begin##Dottie King##imported-end##*
