“ *So very sorry to learn of Lynn's passing. We met Lynn when she attended the Annapolis/Eastern Shore KKG Alum Association's Founders Day event last year. Jackie Judge brought her and she and we all had a wonderful time. What a gracious lady. There are several in our group that were Kappas at University of Maryland so an extra special connection is there. May God comfort the family and friends who were such an important part of her life. Marilyn Coolidge and the Annapolis/Eastern Shore of Maryland Kappa Kappa Gamma Alum Association.*

“ Just learned of Lynn's passing today. She was an inspiration to me and my family, a friend at Prospect Bay from way back. One of the first of my PBCC friends in the late 80s, made me feel so welcome. So sorry to miss her service today. She called me "little face", always enjoyed catching up and talking about how my kids were doing. She hosted many fun Red Hat events at Kilby Point. Lynn was one of a kind. Janet Rice Larson

“ When the 9-Hole Ladies Group at Prospect Bay CC began the tradition of giving to Toys for Tots at their Christmas Luncheon, we always invited Mrs. Kilby to attend with Lynne. About our second year in to this tradition Mrs. Kilby brought, as she said, "a very special Teddy Bear." She made a special request to have a picture taken of the child that received this bear.

Well we thought how could this happen with all the children out there that receive these toys? How could they track this down? Not long after though Mr Gregory Manning, of Toys for Tots, sent a picture of the child and the Teddy Bear to the club to go to Mrs. Kilby.

I think this sums up the impressions she left on people.

Mr Manning felt her kindness and knew how important this was to her so he took it on himself to track this Teddy Bear for a great lady he spoke to for just a few minutes.

So sorry for your great loss and I thank Lynne for always bringing her to the club. We got to have little chats with her that meant a lot.
