

Leocadia "Codie" Codispoti

March 23, 1938 - September 30, 2025

Leocadia ("Codie") Codispoti, resident of Oxford, MD, passed away on Tuesday, September 30th, 2025, due to acute leukemia. She was the third born of six children to Irene and Mento Soponis of Minersville, PA on March 23, 1938.

Codie received her undergraduate degree in Library Science at Kutztown University and her Master's degree at Catholic University (Washington, DC). As a librarian, she worked in school, university, federal and public libraries. She also worked for Army Special Services libraries in Germany and Korea where she made life-long friends, and pursued her love of travel. Her great recall was often utilized by family and friends whenever they needed validation of dates or events.

Codie married Louis Codispoti, a chemical oceanographer from Brooklyn, NY, in 1968. Through this union she had a wonderful and interesting life as they moved and traveled across the United States and internationally. Codie was an active volunteer in several organizations that fostered conservation and humanitarian goals. She credited her volunteer activities to the example of her mother who was a selfless advocate for community causes and a Pennsylvania mother of the year. Codie was a people-person whose friendly personality made people immediately comfortable. She was happiest when hosting family and friends and baking cookies and cakes for them. She often

joked that she was “born to work” and could be seen in and around her home and yard doing just that. She participated in adventures with her husband, Lou, that included flying their airplane and cruising the waters of Puget Sound, British Columbia and the coast of Maine in their sailboats.

Survivors include her husband, Lou, sisters Marianne and Annelle Soponis, brother Mento Soponis and nieces and nephews. Codie was preceded in death by her beloved sisters Irene Robb and Clare Soponis.

Codie requested that any memorial gifts be sent to organizations focused on humanitarian, environmental or animal welfare issues.

A life celebration for Codie will be held on November 8th from 12pm to 4pm at the VFW Post 5118, 355 Glebe Rd, Easton, MD 21601. If you are able to attend Codie's life celebration please go to this link to RSVP by November 1st, <https://www.eventcreate.com/e/codie>

Burial will be private.

“ I met Codie in the early 90's when Lou and I worked at MBARI. Codie immediately welcomed me into her circle and made me feel at ease. Later, when we all ended up on the East Coast, Codie made sure I had a place to go for the holidays. Years later, my husband and son were enveloped in the same warmth and love. Codie had a heart of pure gold, and we are blessed to have known her. Love and condolences to Lou and family. Marilyn, Andrew, and Paul.

“ I met Codie in 1996 almost immediately after beginning work as a research technician with Lou. She put me at ease right away, with her warm smile, frequent laughter, and sincere interest. She and Lou became dear to me quickly and have remained so in the years that followed. I will miss her greatly. I remember the time, in the year 2000 at my going-away celebration (I was about to leave for grad school), when I started to express my gratitude and affection for her and Lou, she told me, "Oh, now don't get maudlin!" So I'll hold to that advice here too and just say that while the Earth has lost a beautiful soul, the Heavens have gained a bright new star. All my love to Lou and Codie.

“ I first met Codie over 40 years ago and she always remained the brightest star in the sky with her zest for life and no matter the situation, a positive attitude, a bright smile, and reassuring words. Both in her career and in "retirement" she helped everyone and spread love wherever she was. In the fullest sense of the words, she was a model citizen and inhabitant of Planet Earth. I am thankful for having known her and being touched by her humanity.

Codie was someone who made everyone around her comfortable and welcome. She was a great conversationalist and made the best persimmon cake! I will miss her smile, warmth, and company so very much. I am grateful to have had her in my life for the past 28 years.

“ *Leokadija (that is her name in Lithuanian language) or shortened English language version - Codie - the person that will remain in our minds and hearts for the rest of our lives. She will be remembered for her positive way of interacting with all the people, her beautiful sense of humor and delightful memories from our meetings.*
May she rest in peace.

“ Codie was a wonderful friend of my wife Dede Kirwan. I knew Lou for many years before Dede first met Codie in Norfolk. They bonded immediately. Of course Codie was the type of person that it was easy to bond with. She was a wonderful person who had a positive impact on everyone around her. My love to Lou and Codie's sisters.

We met Codie and Lou many years ago through our mutual friends Larry and Ann Atkinson. We got to know Codie better once she and Lou moved to Norfolk. We remember Codie as the 'hostess with the mostess' who made parties, cookouts and other social events fun. Codie will be missed. Eileen Hofmann and John Klinck
