*Leonard, I am so thankful and blessed that I got to spend some with you these last couple of years. While we might not have been blood related; I grew up with your aunts, and got the opportunity to watch you grow into a man. This just doesn't real real. I remember the last time I saw you over at Kelly's house. I will never forget it. We were all outside, laughing and just having a good time. You, being you offered to detail my truck. That is how you are: always wanting to help in any way you can.*

*I want you to know that you were very much loved by a lot of people; even if we didn't express it enough. I know that you are in a better place surrounded by God's love, and those who have gone on before you. RIP, hon.*

*I'll never forget going crabbing in Jackson's Creek with you, Nannie and your mom. We put you in a bushel basket inside an inner tube that was tided around Gail's waste. Those were some good times. I remember teaching you how to swim in nannie's pool and catching you as you came down the slide. You couldn't get enough. Everything you did you gave your all. You had a fire inside to prove yourself and you did. Years ago when you worked for Thompson Masonry, Fritz came home and said how you were going to work as a laborer. That wasn't easy work as you soon found out. You wrapped your legs around the scaffold so you could hoist the materials up to the men. They Joked with each other as men do that you couldn't do it, but you showed them, yes you did. Miss you Leonard. You truly are in a better place, no hurt, no pain, just surrounded by the Ultimate Love, God's Love and there is no greater. Till we meet again, Aunt Kerry*

“ To the Family.

*I am sorry for the lost of your family member and dear friend. I have an encouraging message that I would like to share with you from God's Word the Bible.*

*Like many people we all want to live and enjoy life with the ones we have lost to this aged-old-enemy death. Sadly, though because of health issues, injustice, crimes and old age we have to suffer the pain when ones fall asleep in death.*

*In the Bible at John 5:28,29 Christ Jesus states that all those in the memorial tombs (graves) will hear his voice and come out. These ones according to Psalm 37:11 will be resurrected right here on the earth.*

*The Bible also gives us comfort and hope at Revelation 21:3-5 which assures us that the day is soon to come in which our Heavenly Father is going to wipe away the tears of sorrow from our eyes forever and death will be no more.*

*I hope that after reading this that it will be of comfort to each of you.*

*To learn more as to why we die and what hope for our loved ones, please feel free to go to the website: [jw.org](http://jw.org).*
