“ *I have been best friends with her daughter Margaretta since they moved to New York. Leslie always treated me like I was one of the family. I was always welcome there and if I ever wanted anything she would get it. She always gave the best hugs. At the time, I always thought they were awkwardly long, but looking back they made me feel loved. I'm so sorry for your loss.*

“ *Leslie was a dear friend to my sister Jewell Blanchfield. In fact, one year Leslie introduced us to her daughter, Margaretta and we had a short but wonderful visit. Leslie was an angel to my sister and I'll forever be grateful for her care in looking after my sister. She was loved by all her friends and we shall miss her very much. My prayers go out to her daughter and her grandchildren as well as the rest of her family.*
