“ The Lord showed that He loved children during His time on this earth. So I am sure He held His arms open to embrace and welcome Levi as he entered His kingdom; a place of unimaginable peace and joy for all time. And I am sure Levi asked Him to comfort Mom and Dad, his brother and sisters, grandparents, and all who miss him now.

“ Dearest Little Levi,
God must have really missed you to want you back so soon. The only thing we can take comfort in is the fact that we will all be together again one day in the eternal peace of heaven. There's not a day that will go by when you aren't in our hearts. We will love you always, Sweetheart.
