“ *Buddy will be missed. We have known Captain Buddy since the 1980's. We been to the Harrison house, on his fishing boat, had dinner with him in Atlantic city and in Marco Island. He was always fun to be with and respected by everyone. We will think of him every time we go to Goodland Island,FL.*

“ Buddy, you have some big shoes to fill. Patti and I extend our sincere condolences on your loss. The Harrison family always made us feel like one of the family and that is why we have been coming there for over 20 years. Cap'n Buddy always knew we were there and would stop by to share a drink and chat about the bay. We certainly enjoyed our time with him and will miss him. Our best wishes to you and the Harrison family as you start a new page for Tilghman Island and the Chesapeake Inn. We will e back.

“ *I am sorry to hear of Captain Buddy's passing. I enjoyed a drink and  
conversation with Captain Buddy this past July. We talked about this  
year's catch and how he missed his wife and how grown my kids  
were. They have some great memories too. I didn't know it would be  
our last drink together but his memory will bring a smile to my face  
before a tear to my eye. Here's wishin good fishin. RIP*
