“ Our deepest Sympathy and most sincere condolences go out to the entire family! You will all be in our prayers. I go out of town in the morning but will be at the services in spirit. It's funny how when you get older you can appreciate and understand adults from your youth a lot more, I have many of those thoughts going through my head about Mr. Lewis Eugene Barnett Sr. Especially now that I have 2 daughters!

“ *Papaw I can't even begin to tell you how much I love you. You were such a big part in my growing up, I have so many wonderful memories of us together, and it hurts to know I wont have anymore, but it does remind me to treasure the ones we had that much more. I am so proud to be your granddaughter and to have been able to give you a great granddaughter. I am so grateful that Taylor was able to spend so much time with you and mummum as I did when I was little. It means the world to me that she had that time with you and was able to make some memories of her and those I know she holds close to her heart. It is going to be so hard to move forward not hearing your voice or seeing your face again. I love you so much papaw! Love your Puddy pie*

“ *Daddy it hurts so much that you are gone. I cry everyday and want you back so badly.  
I know you our in a better place and you are not suffering anymore. I know you turned everything over to the lord.  
Daddy, I want to be selfish though. I want the lord to give you back. I want mommy not to hurt anymore and us kids.  
I Love You So Much Daddy, and I know one day we will see each other again.  
Until then I will wait patiently and continue to raise my family and look over momma and my brothers and sister.  
But, Daddy my heart hurts, just remember I will always LOVE YOU!*
