“ *Abe, Wendy and family,  
So very sorry to hear about Liam. I know how special he was to everyone and glad you had five months with him. I sure hope he and Sawyer are becoming great friends and running through the streets of gold together. Much love and prayers for your comfort.

“ Abe & Wendy: We have been praying for you. I still remember my loss of my first child Rosalinda Ann as if it was yesterday (although it was Feb 1979), but as you were grateful for each day you had to share with Liam, I was honored, just to be able to see my daughter in a neo-natal incubator for just a single day. I am still looking forward to seeing her again, some day, and am blessed to know that Liam and Rosalinda are both safe at their heavenly Father's side. After all, we know that Jesus said, "Suffer the little children to come unto me" and I'm sure this is still true in heaven as it was on earth. So they are both with our Saviour, as we will all be some day, as believers in Christ.

*May God Bless You and Give You Peace during your temporary time of separation before an eternity of reunion with Liam!  
Praise God!
