

Linda C. Brodsky

January 18, 1949 - February 28, 2017

Linda C. Brodsky of Wye Mills, MD, passed away on February 28, 2017, at Compass Regional Hospice Center. She was 68.

She was born on January 18, 1949, in Prince George's County and graduated from Bladensburg High School. She married her husband of 49 years, Ellery "Butch" Brodsky, and moved to Annapolis, MD, where they owned and operated their own business and raised their two daughters. They later moved to Queenstown, MD, in 1983 and most recently to Wye Mills.

Linda's greatest joy was her family, especially her three grandchildren. In 2006, she "retired" from the family business to babysit her grandson. Her other passions were baking and crafts. You could always find her baking in the kitchen while watching her favorite cooking shows on TV, or in her craft room working on something fun. She was loved by everyone who ever met her.

Linda is survived by her loving and devoted husband Butch; her parents, William L. and Betty A. Hanger of Boonesboro, MD; two children, Dawn Whitlow and her husband, Lonnie of Summerville, SC, Jennifer Barnes and her husband, Steve of Wye Mills, MD; grandchildren, Caitlyn Whitlow, Trevor Barnes, and Avery Barnes; her sisters, Suzi Rummel and her husband Paul, of Boonesboro, MD, Shirley Barton and her husband Roger, of Walkersville, MD; and her brother, William L. Hanger, Jr., of Ballston Spa, NY.

A celebration of life will be held at Linda's residence, 13532 Rustling Oaks Drive, Wye Mills, MD 21679, on Saturday, March 18, 2017, at 2 p.m.

In lieu of flowers, the family asks you consider making a donation to Compass Regional Hospice Center, 255 Comet Drive, Centreville, MD, or Pancreatic Cancer Action Network, www.pancan.org.

“ *I have so many memories of Linda that I can't begin to list them. Some of them were "special" times we shared & they will stay that way in my heart. For years we were all always together. Dinners, cookouts, weekends at their beach house. The "BIG ORANGE" float that we jumped on in the ocean. Only to be knocked over by the waves & loses our bathing suit tops or bottoms!!! God, how we laughed. We all went canoeing, skiing & diving & cycling until our butts were sore!!! I could go on & on but I will keep the memories in my heart & if you catch me smiling it's because I remembered another adventure with Linda. She had a smile that warmed your heart. She was truly a lady & a dear precious friend. I loved her & will miss her so very much.*

RIP my dear sweet friend. Make 'em smile in heaven!!!!

“ It is so hard to pick out just a few things about Linda that are "special" because she did it all and she did it well!

We did everything together: bike riding, horseback riding, camping, canoeing, skiing, swimming, boating, picnicking, breakfast, lunch, dinners, holidays, birthdays, motorcycle riding, Ice Castle & Coco Puff, and everything with families. This is to name just a few of the best, fun and most memorable times we spent together!

Life will be a little different here on earth. Linda will not be with us any more. We will all be a little bit sadder. And we will all miss Linda, who we truly love.

Our time will come when we will all be together again.

“ So many memories I don't know Where to begin. We met right after we both got married and became friends instantly. We were inseparable for over 20 years. We vacationed together spent holidays days together worked together. When Mandie was born Linda came to our house and cooked dinner for us for more than a week. I could fill this site up with how good she was. Lots and lots of fun. I truly will miss her. I know she is in heaven

“ So many memories of this beautiful lady.....when she got a bat stuck in her hair one night at the Crab Deck, dancing around together on the slow work nights, when she would dress up for Halloween and sneak up to the Crab Deck party and walk around trying to scare us all.....she has even given my children many memorable Trick or Treats on Halloween. You will be missed, sweet lady. My condolences to her family.

“ It was around 1966 when I met Butch & Linda, Butch was nice enough to give me a job when I needed one,I worked side by side with both of them.Linda was the best person I have ever worked with, she never had a bad word to say about anyone,she always looked for the good in people. and always a smile on her face.we worked hard then on the weekend it was time to play,Off to the ocean, we would have Butches little boston wailer boat with a huge motor, and go water skiing and have a ball. I had a 16 ft. hobi cat it was slow and one of Linda's favorite kind of ride on the water. the rainbow sails up and just blowing in the wind. We have lots and lots of good memories with Butch & Linda, thank you both for all the good times, it means the world to me and would not trade them for anything.

“ Our deepest sympathies to Butch, Dawn, Jennifer and the many family members and friends who were touched by Linda's love, friendship and generosity. Since our junior high school days, Linda was always so kind and had that beautiful smile that lit up our hearts. Most evident was her love for her family and her beautiful grandchildren. She will be sorely missed. May the Lord wrap his arms around all that loved her and bring you comfort.

“ My heart aches right now. The fun and laughs with Linda, Butch and family we shared for many years will never be forgotten. The Halloween parties and the van club outings were some real good times we all had together. If it wasn't for me meeting Jay, I would most likely have never had the wonderful experience of meeting such a beautiful lady and her family. Heaven has gained another lovely angel. May peace and comfort be with all at this time.
