“ July 22, 2008 One thing is for sure, if you knew Linda, you always knew where you stood with her. She called it like she saw it, whether you liked it or not. I knew Linda for quite a number of years and even worked with her and she was always a ball of energy. She always talked about her family and loved them with all her heart. My sympathies to you all. She will be truly missed. Your selection of pictures were great. Prayers to you all. Val Whaley Ivins##imported-begin##Val & Bob Ivins##imported-end##
