“ Aunt Darlene, We grew up together since little girls (so close in age like sisters), danced to the Buddy Dean TV show & music, listened to your favorite artists like Elvis and Conway Twitty. We loved the snow together and we laughed and talked together. I will keep all our happy memories and fun times together in my heart. You are everyone's angel who was a most loving family person, a very special love one with a heart of gold. I love you and will miss you dearly, but I know someday we will all be together in heaven with you. Love, your niece Judy
