“ *Mom mom was an angel on earth. She will always be the best person I've ever known. Life will not be the same without her, but I know she's always with us in our hearts. She was so kind and always helped others. I wish I could hear her say I love you, baby, one more time.*

“ Linda was the kindest and most wonderful woman and a friend to all. I have many great ambulance duty nights with her and she taught me patience and was a great patient advocate. Don and Linda were the most loving couple and gave so much time to KIVFD. Our hearts are broken for you all, may God grant you peace, rest and strength in the days ahead.
