“ *Miss Porter was an awesome and amazing teacher and beyond being a teacher she was a great person to talk to about troubles around school. Middle school wasn't the best experience for me but she was always there to help me and pick me up after I've been picked on or emotionally upset about something that happened during the day. She was a big help in and out of school I remember the last time I saw her at a family get together hanging out with us it was so much fun. We talked about everything and it was awesome just to see her. She will definitely be missed another wonderful soul gone. Prayers to the family.*

“ May The Porter family find Peace in knowing that their Precious Linda is at Peace. She's in place where all her hurting is erased. I know it has left a gapping hole in your hearts. I grew up with Marie, Linda & Wayne and have many good memories. Such a special lady.

Listen to the song, Scars in Heaven by Casting Crowns----it says it All. Hugs, Love and Peace.
