“ *Every memory I have of Lynn is of her warm, kind and gentle personality. I always felt that she was the kind of person you would want for a really good friend. Whenever we would get together you could talk so easily for hours. Mom thought so highly of her and spoke of the warm caring person that she was. I know she will be so missed by all of her family. I am so sorry for your loss. Love to all of you. Carol Smith*
