Linda Diane Schwaninger

October 28th 1951 – June 8th 2024

Palmetto, Florida

Linda Diane Schwaninger, age 72, passed away peacefully on June 8th 2024, at John Hopkins Hospital surrounded by family and her beloved dog Squeekers.

Diane grew up in Easton on Hopewell Farm, attended school in Talbot County and lived on the farm until she moved to Florida after graduation. She remained living in Florida throughout her life but visited the farm she loved often.

She received a degree in Computer Science and Information Technology from the University of South Florida. Her career took many paths as “head-hunters” would find her for different companies. She loved the work she did and her last place of employment before retirement was the Marriot Vacation Club.

Diane had a zest for life and was involved with several local organizations, The Tampa Club, Gasparilla Parade and many more charities and causes. She remodeled several homes around the Tampa Bay area. She loved DIY projects and had a creative flare when decorating her homes. She had a soft

spot for animals in need, adopting and caring for those who needed a second chance. Diane always had a smile, even during her illness and especially when her dog Squeekers was able to stay with her at the hospital.

Diane is survived by her brother, John Oren Schwaninger and nephew, Travis Oren Schwaninger. A sister, Sandy (Brent) Outten, two nieces, Abby Price (P.T) and Rebecca Price (Travis) and a great niece Harper Hambleton and a great nephew, Phillip Hambleton.

Diane was preceded in death by her parents, John Oren Schwaninger & Voncile (McMillan) Schwaninger, maternal grandparents Preston McMillan & Lillie Williams, paternal grandparents, Charles Schwaninger & Ella Longenecker, a very special friend Sue Russell and a beloved dog, Bungee.

A memorial will be held in Wimauma, Florida July 19th at 4:00 at the Fellowship Cemetery.

“ I attended Easton High School with Diane and she was just 2 weeks older than I am. My name was Schwarten and hers was Schwaninger, so we were often placed near each other. I am very sorry to see that she has passed on but it seems like she had a very successful career and life. May God bless the memory of Linda Diana Schwaninger. Linda Schwarten Evans, Easton, Md.

*Diane and I were partners in crime during high school years - crazy teenagers. I am sorry to learn of her passing.
