Well it's been 2 1/2 weeks since you left us Mom and having a chance to just sit here and look back at the memories from your past is a wonderful thing to be able to do. It's still hard to believe that you are no longer with us, but I know that you have met your master and sharing and enjoying your time with loved ones that had gone on before you. Until we meet again, I love you and miss you Mom!

“ *Very sorry to hear about the loss of Ms.Linda, she was so nice and helpful to me when I purchased a vehicle at Hertrich, she kept me informed when I wasn't able to receive any response from anyone about my paper work that I had not gotten, she not only helped me with this, she resolved other problems I was encountering with my purchase. My sympathy to all her family and loved ones, thank you Ms. Linda for your kindness.*
