“ Words can't express how saddened we are to hear of Linda's loss...No one can prepare us for a loss; it comes like a swift wind. Linda will always stay in our hearts as an attentive, caring, and friendly person.

When we lose a loved one here on earth, we gain an angel in heaven that watches over us... May you, Roland and Lindsey, take comfort in knowing that you have an angel to watch over you now. May the love of family and friends comfort you during these difficult days. If our hugs were strong enough to take away your pain, we would start now and never stop. We extend our most sincere condolences to you.
