“ *Lisa, there are so many things that always make me think of you. Listening to the 80s radio stations always reminds me of sleepovers as a kid and you were the cool older cousin with Duran Duran and Rick Springfield posters on your bedroom walls. Sharing your photos and travel adventures inspired me to make buckets lists to get out there and see the world, especially the British Isles and Scotland! I'm so thankful for all of the good times, smiles, laughter, and comfort that you shared with everyone who was blessed to know you. Lots of love to you and all of the family. You're always in my heart!*
