

Logan Michael Reddish

May 6, 1989 - May 9, 2017

Logan Michael Reddish, 28, died on May 9, 2017, at his home in Oxford.

Born May 6, 1989, in Salisbury, MD, to Dale Greenhawk (Reddish) Jafari and Walton F. Reddish, he soon became known as "Bear." He was warm and cuddly, but look out for those claws. He was born facing the challenge of his immunodeficiency disorder, but rarely did that get in his way. He moved into adolescence with the rebellion we never saw in his brothers, but emerged with a quick wit, a sarcastic bite, and an amazing capacity for love and compassion.

Logan achieved 40 hard-fought months of a clean and sober life. As many times as he cheated death, who could have known that his own body would betray him in life.

Logan was an amazing man. Fiercely loyal to friends and family, he had found his joy in his work with the Talbot County Department of Emergency Services and the Eastern Shore Breaking News feed. His dream came true when he was a newly inducted volunteer fireman with the Oxford Volunteer Fire Department. He was passionate about hockey, and Alex Ovechkin was his idol; he named his cat, OvechKat.

He took joy from the simple pleasures-- family dinner on Sundays, watching

the sun rise or set over the Tred Avon River, a good cup of coffee, Pop Tarts, sports and video games. The Capitals and the Ravens have lost a great fan.

His sudden and unexpected death occurred while he was playing NHL Hockey on his PlayStation quietly at home. Perhaps his colleagues said it best: "Dispatcher Reddish #168. Talbot Center has lost a hero. Rest easy brother (and son)...we'll take it from here. To some this is just a line...to others it is a family crest." As Ashlea Greenhawk said: "A small change in one place of our complex universe can have a large effect elsewhere." This ripple in the cloth of the universe will travel to eternity.

Logan is survived by his mom and stepfather, Dale and Reza Jafari of Easton; his father and stepmother, Walton and Tiffany Reddish of Delray FL; brothers, Jason B. Reddish (Karen) of Rockville MD and Kaelon P Reddish (Melissa) of Salisbury; stepbrother, Mark Jafari (Lynn) of Frederick; his maternal grandmother, Sally Greenhawk of Oxford; beloved aunts, Lawrie G. Dudley (Wick) of Queenstown, Stacey A. Anderson (Ron) of Oxford; Michael D Greenhawk (Kelly) of Oxford; and Brian S. Greenhawk (Mindy) of Cambridge; and maternal step-grandmother Connie Greenhawk (Oxford). He leaves behind the nieces he adored, Natasha and Cassandra Jafari, Cecilia and Lydia Reddish, and Moira and Willow Reddish; and many treasured cousins. He was predeceased by his maternal grandfather, Philemon C Greenhawk, paternal grandparents, Walton and Elizabeth Reddish; and maternal uncles, Philemon Jr. and Kelly Greenhawk.

A funeral service will be held on Saturday, May 13, 2017, at 2 PM at Fellows, Helfenbein & Newnam Funeral Home, P.A., 200 S. Harrison St., Easton, with a visitation from 12- 2 PM. Interment will follow at Oxford Cemetery.

Memorial contributions may be made to Oxford Volunteer Fire Dept., 300 Oxford Rd, Oxford, MD 21654 or the Immuniodeficiency Foundation, 110 West

Road #300, Towson, MD 21204 or the Talbot County Dept. of Emergency Services, 605 Port St., Easton, MD 21601

“ My deepest condolences to the Reddish family for this tremendous loss. May the words found at Isaiah 26:19 bring you comfort in knowing that you will one day see Logan again.

Isaiah 26:19 "Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning, And the earth will let those powerless in death come to life"

“ Dale, All my love and strength to you and your family during this very sad time. It is so hard to understand how such pain can be part of ones journey. It's not to be understood I would suppose. How could it ever be. I pray you find comfort in knowing how much he loved you, his brothers and family. Know that he is missing you too. In deepest sympathy, Sue Conley.

“ Dear Dale, Walt and Family, our thoughts and prayers are with you and your Family at this time. Logan was a precious and loving person as a child and adult, he always had a big smile for me and kind words. I always had faith and believed in him. I knew he would find his niche in life and excel to see his full potential. I was always excited and happy to hear that he was doing well in with new job and that he loved what he was doing. Again we cannot express how sorry we are for your loss, I wish it was something I could say to help ease your pain, but as you and I know there are really no words. Love Buddy and Shelley

“ Logan Michael, when I was 12 years old, you walked into the classroom and took a seat right next to me as the new kid in school. I never in a million years could have expected the road we would take together, and the life we would have. You touched the lives and hearts of so many people. You are so loved and will be missed dearly. Your journey ended far too soon. Love you always.

Casey Brasington - May 10, 2017 at 05:37 PM
