Mr. Cesal was born in San Pierre, IN, and raised on a dairy farm in Teft, IN, pop. 80. He always recalled those early years as his most formative, and they shaped the values by which he lived his life and raised his children.

He spent the bulk of his career in the employ of several government agencies, focused on economic development in developing countries. His work helped to shape economic policies in several developing countries with the ambition to help local farmers raise their yields and gain more independence. He spent almost ten years abroad in Peru and Brazil and continued to travel throughout

his professional career.

After his children left for college, Lon formally retired from government service and moved out to the Eastern Shore of Maryland to begin a second career as a nurseryman. At the age of 65, he started a tree nursery with the help of his wife, Rose. While in Easton, he became a member of the Easton Church of the Brethren.

He loved hunting, fishing, camping, traveling, the outdoors, and making things grow. He will always be remembered as inspired, irascible, stubborn, loving, and caring.
