“ To Hal and Becky,

*I will always remember Loraine for her love of giving. Christmas truly was her favorite time of year. We would all gather around a table full of so much food that would feed twice as many people that were there and tell stories of years past. It is true that she made a great bread pudding, but her potato salad would win a prize!*

*There were also times when we would get together on Hal's birthday and had the best steam crabs ever.*

*Loraine loved the Lord and I know that she is with Him in heaven. One day I will see her and she will take me for a tour of her mansion that God created just for her. There will be no more pain or tears there in heaven and she will walk the streets of gold stopping and talking with her family that have gone on before.*

*I will once again hear that wonderful laugh and see her standing by the door waving good-bye after I leave from visiting her.*

*Say hello to your family that have gone on before for me and always know that there will be a special place in my heart for you.*

*Psalm 147:3 He healeth the broken heart, and bindeth up their wounds.*

*With love and prayers, Diane Talbott*

“ *Grandma Loraine loved her Christmas displays. She would always take us through her home to see the trees, the Santa Claus, and other festive decorations.*

*Grandma Loraine always had candy to share with everyone who came through her door.*

*We will miss grandma Loraine.*
