“ *My condolences to Lori’s family. Dr. Baybutt was my pediatrician when I was a child. Whenever I visited my grandmother, Mrs. Fox I would play at Lori’s house. I remember her as very sweet.*

“ *Blessings to Lori’s Family and Friends. Cherish the memories and she will always remain in your heart. I remember Lori from years ago when her Dad was the physician for the Caroline County Health Department’s Child Health Clinic. She would come to the Clinic with her Dad and we would share with her doing those times. She had such a kind heart!*
