

## Lorraine Marie Flather

October 10, 1937 - March 1, 2025

Queenstown Maryland resident Lorraine M. Flather passed away March 1, 2025, at Luminis Health Anne Arundel Medical Center.

Lorraine was born in Port Jervis, New York on October 10, 1937, the daughter of Joseph and Helen Musselwhite. She attended and graduated from Roosevelt High School and pursued a career within the University of Maryland in College Park. She married her high school sweetheart Roger Flather on September 28, 1957. Lorraine and Roger raised their family in New Carrollton and Lanham Maryland.

After years of supporting the mission of The University of Maryland's University College, Lorraine retired and shortly thereafter she and Roger bought a vacant lot and built their dream home in Ocean City, Maryland where they enjoyed not only an active church and neighborhood social lifestyle, but also many years of family visits with her adult children, their spouses, grandchildren and great-grandchildren. Even after what seems like hundreds of family trips to the Ocean City boardwalk, she never tired of enjoying just one more fried chicken breast from Daytons and ensuring everyone in the group had an ice cream cone from Dumser's.

Lorraine was an avid football fan, and cheered on her beloved Washington

Redskins, season after season through their highs and lows. Also a dog-lover, accompanying her almost everywhere was her tiny Yorkshire Terriers - first Fergie, followed by Molly, both of whom experienced long lives of lavish luxury.

Lorraine was preceded in death by her husband on January 28, 2021. She is survived by her three children, Douglas Flather, Patricia Sprecher, and Daniel Flather, five grandchildren; Brittany Glauser, Jake Sprecher, Victoria Brito, Taylor Sprecher, and Cassidy Flather; and three great grandchildren; Charlie, Gracie, and Holly Sprecher.

A private celebration of life for both Roger and Lorraine will be held in the days ahead. The family will be scattering Roger and Lorraine's ashes in a peaceful and meaningful place that was special to them.
