“ *I was truly blessed to work with Lorraine at Washington College. She was an outstanding employee and kindly provided guidance to me when I was challenged with a difficult decision. Over the years she became a friend to both me and my family. I pray for God's special blessings to be with you, her family, as you morn the loss of this very special person.##imported-begin##Dave Knowles##imported-end##*

“ *What a beautiful soul! She was a true giver and gave and shared her love to all of her family and friends. Although she was a loving sister-in-law and I know she is with her Father in heaven without a doubt smiling down on all her loved ones! She was a very special lady who will be greatly missed but out of her pain and suffering.##imported-begin##Joyce Benton##imported-end##*

“ *I met Lorraine when I worked at Washington College. We both worked for the Dining Services. She went by L.T. She was a very smart person, who gave 110% to her job. We were what you could call "bosom" buddies. She was a very caring person, who opened her heart and her home to her friends. I will miss her greatly. I know that she is in heaven with her Lord. She served him well and know she has gotten her reward. Rest in peace, Lorraine. Love, Jean##imported-begin##Jean Spence##imported-end##*
